

2018, November

Sunlight Center is situated in the Danube Delta area (Dunavatu de Jos, Tulcea County, Romania).

Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and the Among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.

Dear friends,

Today we had a good start of the Sunlight Centre activities, where two volunteers also came to help. We now have heating, as we tested the pellets boiler this week and it works, and the children were eager to read or write. Praised be the Lord! Thank you for your help!

We're ready, the Centre is open, and we are waiting for the children to come.

The lunch is very good

We have started working together on homework.

In present , we received financial support and pay all the bills from Heating Project = 2550 Euro. We are very thankfuly to the Lord for the financial help from: Organization from Holland, Organization from Romania RCE Speranta copiilor Arad, David &Valerie Hornsby and another private persons from Romania. We had also 1 tone pellets. We need more, but the Lord will provide in time.
