Sunlight Center is situated in the Danube Delta area (Dunavatu de Jos, Tulcea County, Romania). Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and the Among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.

Dear friends,

In Romania, today we celebrated International Children's Day.

We had a meeting with the children in Dunavatu de Jos and Dunavatu de Sus, celebrating through outdoor games, songs and Bible lessons through which we showed them that they are special in the eyes of the Lord who loves them.

With the teenagers, we had a special prayer time for the grades they received this school year, of which there are 14 days left, and for the projects this summer.

We call upon your support in prayer, with a few reasons:

The VBS program with the kids in Dunavatu de Jos and Dunavatu de Sus

- For the volunteers who will come;
- For the children we are expecting;
- For the financial and material resources;
- For God's guidance, inspiration and creativity;

The camp „I can do it too!” with the disabled children and the Arts High School students in Tulcea
For financial resources, as I am writing this, I am also working on getting financing from Tulcea City Hall;

- For the volunteers' work to be effective;
- For God's protection over the camp;

For the rest of the children and teens camps
To be under the guidance of God;

For the Sunlight Centre:

- Volunteers in the kitchen;
- Financial resources;

The project of equipping the sports field with synthetic grass, and the activity room with heating and furniture. We have applied for EU grants, pulled the file back and will reapply soon with more important alterations to it. **God bless you, Nick and Elisabeth Dinu**
