Sunlight Center is situated in the Danube Delta area (Dunavatu de Jos, Tulcea County, Romania). Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.

Dear Friends

We send our regards with lots of love and we hope you are well!

We are living in these times when change is quick, from one day to the next, we adapt as we go and we pray to God for protection against Covid-19.

For the past 2 months, we've had to interrupt our activity for the Sunlight Centre After school. We continued to meet online – Zoom, a bit difficult at the beginning, and missing a few of the children – some don't have Internet access, or tablets, or phones... but it is important that we meet.

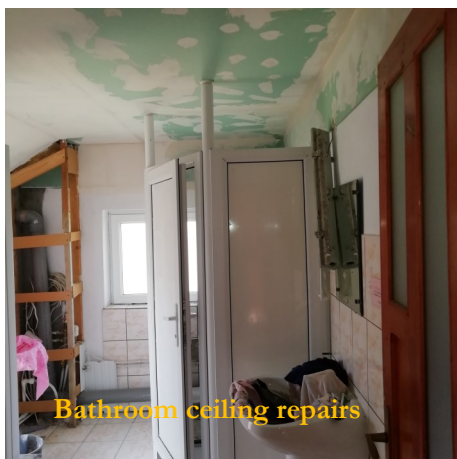

We remember the Mother's Day celebration – March 8, 2020, when the children and their mothers came to the Sunlight Centre, where we celebrated this day. 24 mothers with children attended. We rejoiced in speaking to these mothers about God again.

What did we do during these isolation times???

We made repairs that have been on the waiting list for quite a while... Some were scheduled for Trevor and the other volunteers. We made improvements that took a longer time, taking advantage of these quarantine times.

What did we do during these isolation times???

Regarding the camps, we have some scheduled, but they are on stand-by, as we don't know what conditions will be imposed by the legal and health care systems. The disabled children's camp is in the same situation.

In last week we had 2 small groups who stay in Hilary House. Families group and staff from one organization from Romania. They respect the Covid -19 protection and the Govern regulations.

But the next two weeks the Romanian Govern will come with new decisions, and we hope to be OK for Children Camps!!!!

We have meetings with Dunavat Children on Zoom!

We have prayer meeting with the parents and children from Dunavat , using WhatsApp!

It will not be easy in Romania, the prices have gone up, employment decreased drastically, people have emptied their supplies, so it will be... difficult.

We had a sponsor that offered us potatoes, we gave them to 40 families with children and it was helpful and a great joy. Also We helped a old people, who don't have possibilities to buy food, or another things. I helped young families, to repair their house, during 2 weeks.. It,s was good time to give a good advices from the Bible for change their life...Another young family wait for my help in their new house, another opportunity to pray, and speak about Jesus.

Our children and grand children are OK, but they cannot come from USA or Germany very soon!

We trust the Lord, pray and wait His answer for take off the Virus Covid!!!

We trust the Lord, pray and wait His answer for the children, teenagers Camps!!!

We trust the Lord, pray and wait His answer for cover our need for Sunlight Center maintenance, expenses,

With love in Jesus Christ, Nick and Elisabeth Dinu, Romania.
